

DO NOT ACCEPT COUNTERFEIT COUPONS

We have become aware of an e-mail with an attached Word Document containing 11 different counterfeit coupons being circulated in Atlanta, Georgia, St. Charles, Louisiana, and other areas. The attachment is approximately 7Mb in size.

The e-mail will likely contain the following message or variations thereof:

“Hi Ladies! A friend sent me these coupons and I printed and took them to Kroger and purchased \$50.00 in groceries and all I had to pay was \$3.00 tax! There were 2 that did not work and they were the Smithfield ham and Tyson bagged product. The friend that sent them used all the coupons at Target. I am going to try Target for the ones that did not work at Kroger. The Tide alone was 15.00!”

It is likely that these counterfeits have been circulated elsewhere as well.

In the event you receive such an e-mail, you should contact the person(s) who sent it to you and inform them that they are sending out counterfeit coupons, which is a federal offense.

All of these counterfeits will be printed on home or office equipment and will be printed on only one side. None of the original coupons was originally intended to be provided via electronic means.

INDIVIDUALS AND INTERNET SITES ATTEMPTING TO REDEEM, TRANSMIT, AUCTION, POST, REPRODUCE, TRANSFER, BARTER OR SELL COUNTERFEIT COUPONS MAY BE SUBJECT TO CRIMINAL PROSECUTION AND/OR CIVIL ACTION.

We have reproduced copies of the five counterfeit coupons associated with CIC Member companies on the following page.

This public service announcement has been provided by Coca-Cola; Kellogg Company; Kimberly Clark Corporation; Nestle USA; and Procter & Gamble, owners of the registered trademarks, and by The Coupon Information Center, a not-for-profit organization dedicated to enhancing the integrity of the coupon redemption process.
